Public Aid Sought To Equip 16 AYA Teams In 1948 Ball League

With the 16 teams in the Arlington Youth Association's baseball league scheduled to open the 1948 season May 24, letters went into the mails last night, Wednesday, to citizens throughout Arlington seeking contributions to finance this important annual recreational activity for the city's boys.

Formation of the 16 teams—eight in a senior league and eight in a junior league—is now under way, with the boys registering at police headquarters.

William J. Sinclair has been announced as 1948 manager of the

senior unit, with John J. Toomey manager of the junior division. Each of the 16 teams will be coached by volunteer members of the Arlington Auxiliary Police Association, which sponsors the AYA.

The money now being sought through public contributions is needed to equip the teams, and in the past the response to the appeal has been generous. It cost over \$3000 last year to conduct the program, with \$600 needed for baseballs alone and \$150 for baseball bats. This year some new sets of

The Arlington police again served notice upon the criminal element this week that Arlington is a place to keep away from, when local officers on Sunday corralled two taxi hold-up men and the next morning, Monday, nabbed four more hold-up suspects while several others fled under gunfire.

Caught here Sunday after a battle were two Somerville men who allegedly had just abandoned a cab here after holding up a Cambridge taxi driver in Stoneham and taking his vehicle.

Nabbed early Monday morning were four other out-of-town men, in whose auto police found a .32 caliber revolver. Several of their companions, in a second machine, escaped under police fire.

Shortly before 2 o'clock Sunday morning a resident of Washington St. phoned police that a taxicab was parked in his driveway. Patrolman Walter F. Knowles and William F. White, sent to investigate, found that the cab was one that had been reported stolen shortly before in Stoneham.

Cruising along Mass. Ave., shortly afterward, near the railroad station, Knowles and White spotted two men walking toward the station and stopped to question them. The men unwisely took to their heels, the officers after them.

A few minutes later police headquarters received a call from Jane's Lunch: "Some of your officers seem to be having a battle with two men near the railroad station."

A second Scout Car, with Patrolmen Lester H. Peabody and James J. Donovan, was sent to the scene by radio in a matter of seconds, and soon afterward two men were being booked at headquarters.

They gave their names as George H. Donahue, 33, of 24 Union St., and Arthur Jacobs, 24, of 19 Mystic Ave., both Somerville. They were turned over to Metropolitan District Police, in whose area they allegedly held up Cabbie George E. Stout of 510a Green St., Cambridge, relieving him of \$10 and his cab. Stout later claimed his taxi here, while Donahue and Jacobs were held for trial.

Monday morning's catch of four additional holdup suspects came

Dogs' Week Is Tough On Town Cats

Dogs were having the best of their perennial argument with cats, this week.

On Walnut St., a luckless cat was so badly mauled by a dog that police, called to the scene, found no way out but to end its misery with a pistol shot.

And from Abernethy St. came a complaint from a woman that a neighborhood dog "is killing cats" in that area.

Cop Finds Wallet

A wallet containing \$15 cash and personal papers was found in Mass. Ave., near fire headquarters, by Patrolman Gerald Duggan Friday night. It was later claimed at police headquarters by Ralph J. Boswell of the Marine Barracks, Boston Navy Yard.

His Excellency, Most Rev. Richard J. Cushing, will be honor guest at the banquet. Mrs. John W. Deasy, chairman, announced this week that music would be furnished by Joe Adrian's Society Orchestra, and the entertainment will include original character sketches by Mary Louise Hickey.

Assisting on Mrs. Deasy's committee are Mrs. Henry A. Lydecker, club president, Mrs. Kieran Lowry, Mrs. George Higgins, Miss Anne Deasy, Mrs. Florence Donahue, Mrs. D. Wesley Lowell, Mrs. Frank Butler, Mrs. John J. Sullivan, Mrs. William Keefe, Mrs. Daniel Wade, Miss Barbara Butler, Mrs. John Smith, Mrs. Harold J. Richard Tierney Takes Reins As Brother Retires As Fire Chief; Names Capt. Egan Acting Deputy

Fire Capt. Thomas H. Egan of Grandview Rd., whose court action forced the retirement Monday of Fire Chief Daniel B. Tierney on grounds of age, was appointed acting deputy chief as the first official act as Deputy Chief Richard J. Tierney took over direction of the department in his brother's stead, as acting chief.

Members of the Board of Selectmen, following out a superior court order, regretfully called in Fire Chief Daniel Tierney Monday night and informed him they were forced to retire him after almost 25 years of outstanding service because of his 73 years. They expressed gratitude for the manner in which he has built up and conducted an exemplary fire department.

Shortly afterward the retired chief's brother, Deputy Richard

Steal Auto From Local Showroom

A Ford sedan, valued at about \$1,000, was stolen from the showrooms of Bonnell & Stokes, 956 Mass. Ave., late Friday night or early Saturday morning.

Mr. Stokes, notified at his home came to the garage and after looking around discovered the disappearance of the car.

Local police received word Wednesday had been found in Malden "and its occupants placed under arrest."

St. Agnes' Holy Name Breakfast On Sunday

An attendance of well over 400 is expected at the annual Communion Breakfast of St. Agnes' Holy Name Society, to be held Sunday.

The breakfast will be held in St. Agnes school hall immediately after 8:30 mass, with Rt. Rev. Thomas Ripley, Ph.D., vice rector of St. John's Seminary in Brighton as the main speaker.

While the speaker has not announced his topic in advance, he is an outstanding teacher of moral theology and his address is certain to be illuminating and inspirational. He was formerly a professor at Louvain University in Belgium.

Patrick J. Coleman, as president of the Holy Name Society, has general charge of arrangements for the annual breakfast. Rev. William J. Linehan is spiritual director of the society, which has a membership close to 900.

I WONDER if there is a more informed person musically than Frank Newcomb Jr., of Farrington's Record Shop?

"Tiger" Graham, captain of the Pals, expects to shave Joe Aulenback on the pitcher's mound and Dinny Shea behind the bat. This year's team represents considerable reorganization, but the Pals believe they can repeat last year's stellar performances.

HERE ARE THE FACTS ABOUT YOUR INCREASED GAS RATES
UNIT COST OF GAS TO US } UP 81% SINCE 1941
AVERAGE HOURLY WAGE RATE } UP 73% SINCE 1941

GENERAL DOMESTIC GAS RATES UNCHANGED SINCE 1933...

Although the cost of everything connected with the manufacture and distribution of gas has skyrocketed, the general domestic gas rates have remained unchanged during the last 15 years. Now, however, despite the utmost economy and efficiency in operation, we can no longer continue to serve our customers at rates based on costs of 1933.

For this reason we have requested and received approval from the Department of Public Utilities for new rates which briefly are as follows:

DOMESTIC GAS RATE K	GENERAL GAS RATE M
\$1.00 for the first 100 cubic feet of gas delivered each month, plus 13.0 cents per hundred cubic feet for the next 2,400 cubic feet of gas delivered each month, plus 11.0 cents per hundred cubic feet for the next 7,500 cubic feet of gas delivered each month, plus 8.5 cents per hundred cubic feet for all gas delivered each month in excess of 10,000 cubic feet.	\$1.00 for the first 100 cubic feet or less of gas delivered each month, plus 13.0 cents per hundred cubic feet for the next 9,900 cubic feet of gas delivered each month, plus 12.0 cents per hundred cubic feet for the next 35,000 cubic feet of gas delivered each month, plus 10.5 cents per hundred cubic feet for all gas delivered each month in excess of 45,000 cubic feet.

The above charges are subject to a discount of one cent for each hundred cubic feet in excess of the first 100 cubic feet, if paid within ten days of the billing. The new rates will be increased or decreased to reflect changes in the cost of fuel used in the manufacture of gas.

Fire Chief ...

(Continued From Page One)

Tierney, was called in and notified that the board had decided to have him head the department—until further notice—as acting chief.

In accepting the appointment, the incoming department head told the selectmen:

"I would not myself have chosen to step into my brother's shoes at this time. I would have preferred that his experienced hand remain at the helm until reorganization of the department in June, under the 48-hour week.

"The department is losing a good friend and an outstanding chief. I shall be happy if I can be half as good a fire chief."

The acting chief assumed his duties at 11 o'clock Wednesday night, after a number of conferences leading to some reorganization. This included the appointment of Capt. Egan as deputy chief to serve with Deputy Charles J. Flynn. Another temporary promotion was the elevation of Lieut. James Doherty to an acting captaincy.

Capt. Egan's retention of the rank of deputy seemed fairly assured: in the civil service exams which led to the appointments in March of Richard Tierney and Charles Flynn as deputies, Egan scored the highest marks.

The new schedule at fire headquarters found Acting Chief Tierney on duty days from 9 to 5, with the night shift divided between Deputies Flynn and Egan.

In conversation with a Press reporter, the acting chief said:

"I am striving for harmonious operation of the department, with every one doing his job and while I will be on call 24 hours a day I am relying on other officers of the department to exercise initiative and judgment."

The acting chief has been a member of the department since 1925. From 1927 to 1940 he was a drillmaster, in charge of training recruits, and proved so efficient at this task that he was employed by the state to train fire recruits

in many communities without drillmasters.

He was appointed a lieutenant in 1930, a captain in 1933, acting deputy Jan. 12, 1947 and deputy March 28, 1948. As a deputy, he filled the vacancy caused by the retirement in January, 1947, of Deputy John M. Tierney—a third member of the family—who was badly burned in fighting a fire.

Sea Scouts' Base To Be Dedicated

Sea Scout Ship No. 37, Canberra sponsored by the Arlington Kiwanis Club, will receive its charter at the annual meeting of the Arlington District of Schem Council, Boy Scouts, at Spy Pond, on June 2.

At that time, the Sea Scout Base at the Boys' Club will be formally dedicated.

The meeting will be held in conjunction with the Kiwanis Club's Ladies' Night. The Kiwanis committee on arrangements consists of Robert Spence, Henry Ottum, Lester Cameron, Brooks Sayre, Elmer Anderson, with a scout committee comprising Henry E. Keenan, Harold Slater, Chester Duvall, James Rourke, Leo Moore and Frank McIntyre.

An open house from 6 to 8:30 p. m. will be followed by a buffet supper, a demonstration by the Sea Scouts, dedication of the base and presentation of the charter, the annual Scout meeting, the Kiwanis meeting and finally an entertainment program.

Ambulance Repaired

The local police ambulance was out of commission Tuesday from 9:25 a. m. till 4:30 p. m. while under repair. The Belmont police ambulance stood by to respond to any calls, but there were none.

A REPORT TO THE PEOPLE

"The residents of the 14 cities and towns now served by the Metropolitan Transit Authority are entitled to better service. This better service can be furnished by improved transit facilities and legislative authority for such facilities will be requested from time to time. It is the firm intention of the Trustees to provide the best service to the public that is possible."

From the First Annual Report of the Public Trustees of the Metropolitan Transit Authority

The Public Trustees of the Metropolitan Transit Authority have been engaged since July 2, 1947 on a program of immediate and long range improvement of the transportation facilities under their management. Certain improvements have already been accomplished. Other improvements are in process of being done.

Based on studies and estimates of costs made by the Trustees in accordance with specific instructions contained in the Legislative Act creating the Authority, several major projects for the improvement and extension of Rapid Transit facilities have been proposed for the future.

HERE IS WHAT HAS BEEN DONE

Nov. 29, 1947 - Service increased on all Rapid Transit lines and on certain surface lines.

Dec. 1, 1947 - Bus service resumed between Dover and Berkeley Streets.

Dec. 6, 1947 - Bus service extended to Kirtledge Street, Roxlindale, and Winthrop Street, Hyde Park.

Dec. 13, 1947 - New bus line started between the South End and Back Bay.

Jan. 17, 1948 - New bus lines started between the Logan International Airport and the North Station and between the Airport and the South Station.

Feb. 28, 1948 - Airport-South Station bus service extended to Copley Square.

HERE IS WHAT IS BEING DONE

- * Remodeling of interior of Cambridge-Dorchester Rapid Transit cars.
- * Installation of new seating arrangement in center-entrance cars to provide more adequate subway service for heavy volume of traffic between stations and for special sporting events.
- * Improved ventilation in P. C. C. cars—the modern cars used chiefly in subway service.
- * Rearrangement of seats in 100 P. C. C. cars.
- * Installation of additional mechanical washers for cleaning the exterior of surface vehicles.
- * More frequent cleaning and repainting of stations.
- * Installation of additional modern newsstands at down town stations similar to the new information booth at Park Street Station.
- * Construction of a new office building for the Maintenance Department providing greater efficiency and economies of operation through a consolidation of forces.
- * First steps taken in conversion to trackless trolley operation of practically all car lines in the Roxbury-Dorchester area.

IN ACCORD WITH PRESENT ECONOMIC AND SOCIAL CONDITIONS:—

- * A five-day week without reduction in take-home pay was made uniform for all employees.
- * A contributory pension plan which all employees will become eligible to join is being established.

HERE IS WHAT HAS BEEN PROPOSED FOR THE FUTURE

(SUBJECT TO LEGISLATIVE AUTHORIZATION)

- * Construction of an additional subway between Park Street and Scollay Square Stations and the enlargement of the Park Street and Boylston Street Stations uniting the two by means of continuous platform facilities.
- * Extension of Rapid Transit facilities to Quincy and Braintree.
- * Further extension of Rapid Transit facilities from Orient Heights, East Boston, to Revere.
- * Extension of the Cambridge subway to Porter Square and of Rapid Transit facilities to a point near the Concord Turnpike and Alewife Brook Parkway.
- * Extension of high-speed trolley service to Arlington and Lexington and to Belmont, Waverley and North Waltham from the new terminal of the proposed Cambridge subway extension.
- * Removal of elevated structures and the construction of subways and other Rapid Transit facilities in their place.

THE JOB AHEAD

The people and the area within the cities and towns served by the railway system constitute the Metropolitan Transit Authority—owners of this transit system.

The railway is operated solely for the benefit of the public.

As Public Trustees of the Authority, we have a dual obligation:—(1) to fulfill the general duty imposed upon the Trustees by the Legislature "to secure an adequate, co-ordinated, integrated and efficient system of rapid transit," and (2) to manage and operate the public's transit system efficiently, economically and to the satisfaction of the riding public in the Metropolitan area.

You may obtain a copy of the first annual report of the Board of Public Trustees by writing to the Metropolitan Transit Authority, 31 St. James Avenue, Boston 15, Mass.

Drama At Home

Too few realize how vital a part Menotomy (now Arlington) played in the birth of our nation.

The Arlington Historical Society, which this week observes its 50th anniversary, has done much to keep alive an understanding and appreciation of the community's part in the Revolution. In a pamphlet issued in connection with its golden anniversary, for instance, it gives the dramatic facts of the Jason Russell house—the strongly-built farmhouse, still in robust condition, in which the society makes its headquarters.

Twelve local men were killed in and about the Jason Russell house in a fierce hand-to-hand fight with the British. The casualties included Jason Russell himself, and all 12 today are buried in a common grave in the Pleasant St. burial ground.

The historical society's pamphlet tells how it happened: "Back of the house the land rises, and here a body of Minute-Men stationed themselves to await the British column

as it marched down the road from Lexington. They were surprised by a flank guard, which came through the fields, and were driven to the house, being hemmed in between the flank guard and the main column."

"A savage fight, at close quarters, followed, and in the house and yard Jason Russell and eleven Minute-Men were killed."

"Eight Americans reached the cellar, and aiming their guns up the stairs, and threatening death to anyone who should attempt to come down, thus escaped. The soldiers hastened on with the main body. Bullet marks are still to be seen in several places in the house."

"Jason Russell and eleven others were buried in a common grave in the burying ground at Arlington Centre. A monument marks the spot, but more interesting is the old headstone beside it which records in language reflecting the passions of the time how he was 'barbarously murdered in his own house by Gage's bloody troops.'"

Flowers Would Help

There is one easy way to improve the appearance of Arlington Center, and that is to plant a few flowers and shrubs on the triangular grass plot facing Mass. Ave., next to the railroad tracks.

This plot of ground, now unused, is owned by the Boston & Maine and at one time was tilled and cared for by the Arlington Garden Club—and it was, in those days, attractive and a pleasure to behold.

There is little doubt that the railroad would again grant permission to have the plot beautified.

I Wonder?

I WONDER why Don Barnes and Warren Ryan are partial to St. Clement's?

I WONDER how Donald Nickerson, president of the Theodore Schwamb Co., here, likes his duties as newly-elected selectman in Lexington?

I WONDER who thought up the clever slogan used by Berman's Liquor Store: "On the line from nine to nine"?

I WONDER how Raymond of Scituate St., likes the "smooth" surface of Mass. Ave., when marching with the Legion?

I WONDER how rehearsals are proceeding for the DeMolay play to be presented May 15?

I WONDER if the projected parking lot in Arlington Center will be completed in time for use this year?

I WONDER to whom Charlie Pierson referred when he said peanuts were not wanted "because of the oral cavities"?

I WONDER if Patrolman Charles Tynan's many friends aren't glad to see him out of the hospital, and looking so well after such a serious operation?

I WONDER if the streets in Arlington Center didn't look much cleaner than usual this past week-end?

I WONDER who were the boys who placed a card reading "Kilroy was here" in Marguerite's millinery shop?

I WONDER how many read ex-Ambassador Joseph P. Kennedy's comment on our aid to Europe, in which he said that if it is not accompanied by work on the Europeans' part the good of it will have been wasted?

I WONDER if the action of the steel companies in slightly reducing their prices marks the beginning of the end of inflation?

I WONDER what the park department's plans are for improving Arlington's only public swimming spot at the old reservoir at the Heights?

Mrs. Emma Gough, 92, Is Greeted By Neighbors

Many friends and neighbors congratulated Mrs. Emma Gough of 5 Walnut Terrace Tuesday, on the occasion of her 92nd birthday.

Mrs. Gough, who lives with her daughter, Mrs. Llewellyn Davis, is a native of Maine and a charter member of the Woman's Club in York Beach, Maine. She has lived in Arlington about 10 years. She is a great reader, and though now she has to use a magnifying glass she subscribes regularly to the Book of the Month Club. She is an ardent Tom Brennan fan and never misses a "Breakfast in Hollywood" program. Up to recently, she did a lot of fancy work.

In addition to her daughter she has two grandchildren and one great grandchild.

I WONDER how many of Columnist Bill Cunningham's friends know his first name really is Elijah?

I WONDER if Kenneth Leach of Webster St., likes his newly-acquired home, after waiting so long for it after his discharge from the Army Air Corps?

I WONDER how many still feel that the Peirce and Winn property is too valuable to be used as a parking lot?

I WONDER what Ray Finnegan of Colonial Drive does for exercise now that the snow shovelling season is over?

Slight Increase In Gas Rates To Go In Effect Saturday, Due To Increased Costs Of Production

A new schedule of gas rates for the 26,000 customers of the Arlington Gas Light Company in Arlington, Belmont, Winchester, Lexington and Woburn was approved this week by the Massachusetts Department of Public Utilities, according to a statement issued today by Everett G. Bryant, Vice President and General Manager. The new rates will become effective May 1 under the order approved by the Public Utilities Commission.

The Gas Company petitioned the Department of Public Utilities last December for new rates because of the heavy increases in costs of

doing business. The company in its petition set forth that the unit cost of gas had gone up 81 per cent since 1941. Other factors entering into the higher costs were wages up 73 per cent and pipe and fitting up 52 per cent.

Under the schedule filed in December the Arlington Company asked for increases which would have resulted in added revenues of approximately \$270,000 annually. However, the Department of Public Utilities, after a public hearing and lengthy investigation of the schedule filed by the company, in an order dated April 21,

permitted the company to file rates which are designed to provide additional revenues of approximately \$230,000.

Household customers of the Company will pay the following rate effective May 1, under Domestic Gas Rate "K": \$1.00 for the first 100 cubic feet of gas delivered each month, plus 13.0 cents per hundred cubic feet for the next 2,400 cubic feet of gas delivered each month, plus 11.0 cents per hundred cubic feet for the next 7,500 cubic feet of gas delivered each month, plus 8.5 cents per hundred cubic feet for all gas delivered each month in excess of 10,000

cubic feet. Customers will receive a discount of one cent for each 100 cubic feet of gas used in excess of the first 100 cubic feet, if paid within 10 days of billing under the new rate.

All rates contain a provision for an increase or decrease which is provided to reflect changes in the cost of fuel used in the manufacture of gas.

Rehearsals For Legion Minstrels

Rehearsals are being held every Monday and Thursday for the minstrel show, "Minstrel Memories," to be presented at town hall May 16, 18 and 19 under auspices of Arlington Post 39 of the American Legion.

George Bonney is general committee chairman, with William J. Finn show director and James Spriggs secretary.

Historical Society Is Host To 175 At Dinner Marking Its Fiftieth Anniversary

The Arlington Historical Society headed by Rev. Lawrence L. Barber as president, was host to 175 guests at dinner in the Unitarian Church Vestry Tuesday evening, on the occasion of the 50th anniversary of its founding.

Rev. John Nicol Mark was toastmaster, and guests included N. Winthrop Robinson, vice president of the Bay State Historical League. Stereopticon slides of Arlington of 50 years ago were presented by Ernest Freeman, and there were two playlets—one depicting the incorporation of the society 50 years ago and the other a take off of an old fashioned victrola party.

Mrs. Edward B. Potter gave solos, and as the climax to the evening's program Mrs. Barbara cut a large birthday cake.

Thanks!

DeMolay To Stage Play On May 15

Much local interest is being evidenced in the forthcoming three-act play, "Larry," to be presented by Battle Green Chapter Order of DeMolay, May 15, in Cary Memorial Hall, Lexington.

Written by Robert Illinworth, "Larry" is the story of young college fraternity members and their day-to-day problems. It is fast-moving, warm entertainment for all ages.

about when Patrolmen George G. Alexie and Henry E. Bradley, in a scout car, stopped a Packard car at Mass. Ave., and Appleton St. for a routine checkup.

Accompanying the Packard was a Buick sedan, also with several men, but the driver of this car refused to stop, speeding away as Sgt. William L. Olson fired three shots after it.

Investigating the Packard, the officers found a 32 caliber revolver hidden under the rear seat. The four men were promptly taken to headquarters, with Patrolmen John Ryan and Peter Greeley assisting in the roundup.

They were booked on suspicion and arraigned in district court
